Re: Crozer-Chester Medical Center
Case 04-RC-257107

Dear Mr. Cannon:

This will acknowledge the receipt of the Employer's April 17, 2020 letter in response to the Petitioner's letter dated April 16, 2020 regarding the Employer's request for expedited consideration of its request for review and its request that the Board stay the election pending review. Though the Petitioner identifies its letter as a position statement, the Board construes the letter as an opposition to the Employer's request for review as the Petitioner is opposing a portion of the Employer's request. Because the Board's Rules and Regulations do not provide for reply briefs to oppositions in representation proceedings, the Employer's April 17 letter responding to the Petitioner is not permitted and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi
